Alistair Burns and Philippe Robert

Hardcover | 9780198796046

February 2019 | 384 pages

£49.99 **£35.00** | \$65.00 **\$45.50**

- This unique resource includes 47 country profiles across 5 continents
- Written and edited by leading experts in the field of dementia care
- Created in collaboration with the International Dementia Alliance (IDEAL)

Dementia Care: International Perspectives is a comprehensive resource offering a global view of the clinical management and resources offered to carers and patients. Featuring 47 country profiles across 5 continents, this resource offers invaluable insights into dementia care across borders and different cultures. Each country profile features a helpful summary of key points, and contains an up-to-date, concise discussion on the clinical management of dementia within the country.

Written and edited by the world's leading experts, it is a useful tool for researchers, clinicians, policy makers, and academics wishing to expand their knowledge of the subject.
